## N95 Masks

A NIOSH-approved N95 mask will have the following text printed on the mask:

- "NIOSH"
- Type of approval—example, "N95."
- Manufacturer's name

For more information on how to identify a proper N95 mask, visit here: <u>https://www.cdc.gov/niosh/npptl/topics/respirators/disp\_part/respsource1quest2.html</u>

Image examples:

### **Protective Gowns**

Gowns should be fluid-resistant and long-sleeved to cover the wrists.

### Image examples:

## **Examination Gloves**

Appropriate examination gloves will be labelled with specific words, such as "health care", "examination", "patient examination", "sterile", "medical-grade", "nitrile."

Vinyl, latex, or nitrile gloves will all provide adequate protection.
